Additional information

Installation method	Placed on base legs, we recommend also securing the cabinet to the wall. If the cabinet includes pull-out inner drawers, wall mounting is required.
Materials	According to the standard selection or customized based on the customer’s preferences.
Contents	Standard solution: 5 movable shelves. K21 and K40: Each section has 2 movable shelves, with the sections divided according to the doors.
By order	Furniture lock. Alternatively, pull-out inner drawers for the shelves.
