

Drying cabinet

- The drying cabinet serves as a place for drying and storing dishes.
- For Standard solutions we have selected high-quality and most commonly used options in terms of dimensions and materials.
- Custom solutions are always tailored to the customer's needs.

Standard

Description	Product code and standard dimensions width-depth-height [mm]

	Y10LK-600-340-700
Drying cabinet with double doors	Y20K-800-340-700
	Y20K-1000-340-700
Drying cabinet with double framed glass doors	Y20LK-800-340-700
	Y20LK-1000-340-700

Custom

In addition to Standard solutions, we also implement furniture according to customer's wishes. In Custom solutions, dimensions, materials and equipment are completely up to the customer. However, the width of the cabinet is determined by the width of the stainless steel shelving.
