

Pass-through cabinet

- The pass-through upper cabinet is installed in the [Island Workbench](#). The cabinet is accessible from both sides of the island and can be designed as a closed cabinet with doors or as an open shelving solution.
- For Standard solutions we have selected high-quality and most commonly used options in terms of dimensions and materials.
- Custom solutions are always tailored to the customer's needs.

Our experts are happy to assist you in selecting the right product.
