

2 - drawer

- Low drawers are dimensioned especially for electric tables to ensure that they fit under the desk when it is at its lowest position.
- For Standard solutions we have selected high-quality and most commonly used options in terms of dimensions and materials.
- Custom solutions are always tailored to the customer's needs.

Standard

Description	Product code and standard dimensions width-depth-height [mm]	Standard depths d [mm]*
2 - drawer Drawers of equal height	L21-400-d-620	550 or 580
