

For laboratories and hospitals

VISU electric table

- The high load-bearing capacity, ease of cleaning and chemical resistance make this desk an excellent choice for laboratory use.
- Quiet and stepless height adjustment enables quick and easy adjustment of working position. Recordable memory locations make it easier to use different working heights.
- Under-desk furniture can be fitted onto the desk frame or equipped with castors.
- Corner desks (left- or right-handed) are available.
- For Standard solutions we have selected high-quality and most commonly used options in terms of dimensions and materials.
- Custom solutions are always tailored to the customer's needs.

Feel free to contact us, and we will design suitable solutions together!

Standard

Description	Product code and standard depth [mm]	Width [mm]	Height, mm
