

To the office

VISU electric table

- Quiet and stepless height adjustment enables quick and easy adjustment of working position.
- Recordable memory locations make it easier to use different working heights.
- We also supply under-desk furniture equipped with castors.
- Corner desks (left- or right-handed) are available.
- For Standard solutions we have selected high-quality and most commonly used options in terms of dimensions and materials.
- Custom solutions are always tailored to the customer's needs.

Feel free to contact us, and we will design suitable solutions together!

Custom

In addition to Standard solutions, we also implement workstations according to customer’s wishes. In Custom solutions, dimensions, materials and equipment are completely up to the customer.

Feel free to contact our experts and we will find suitable solutions together!

Features

Installation	Free-standing on the floor, adjustable pads as standard.
Load-bearing capacity	160 kg
Height adjustment	Stepless height adjustment 670–1320 mm, 3 memory locations, soft start and stop. The desk has an anti-collision sensor as a standard accessory.
Materials	Powder coated steel frame, standard color white.
Worktop	High-pressure laminate with moisture- and load-resistant chipboard core, standard colors white and gray.
By order	The desk can be equipped with a 500 mm high front panel. Additional accessories include under-desk furniture on castors, and a cable basket fitted under the worktop.
