

H - frame

- The simple design ensures easy cleaning.
- Under-desk furniture is fitted onto the desk frame, leaving the floor clear. This solution allows furniture to be moved horizontally to any location under the desk. The furniture can also be removed and placed under another desk easily. All frames have the same system for fittings.
- For Standard solutions we have selected high-quality and most commonly used options in terms of dimensions and materials.
- Custom solutions are always tailored to the customer's needs.
- Note. The figures in the table below indicate the worktop dimensions.

Standard
