Eye shower Duo, desk-mounted

Emergency shower for eye rinsing, mounted to the worktop with a flexible connection hose. (Product code: BRSSP-2)

- The eye shower is very easy to use, as the flexible connection hose allows it to be lifted above the worktop to a convenient position for the user.
- The dual-nozzle design enables safe rinsing of both eyes simultaneously.
- Protective covers on the nozzles keep them clean and ready for use in an emergency.
- A thermostat is available to provide warm rinse water. (Product code: BRTRSS)
