

OPPILab Teach Basic

Transparent walls make it easy to follow the teacher's demonstration

- A lightweight fume cupboard equipped with castors can be moved easily to wherever it is needed.
- All walls are made of transparent polycarbonate.
- The fume cupboard is equipped with LED lights and sockets for greater usability.
- The base has a laminate shelf and a polypropylene drain basin for storing chemicals during use.
- The fume cupboard has an optimally designed front edge, continuous handle and side profiles to optimize air flow.

Product information

Standard width	900 mm
Worktop depth	600 mm
Total depth	645 mm
Total height	In 1 part: glass 2180 mm.
