

Tray trolleys

- Tray trolleys on wheels allow for flexible movement of learning materials from one space to another.
- See the different colour options for the frames and trays under the 'Colour options' tab.
- The tray trolley is also available in a closed version, which is our tray cabinet on wheels. See under [Tray cabinets](#).

If the standard options do not meet your needs, please contact us. Our experts will help you find a tray trolley with a configuration that suits you.
