Eye shower Duo, wall-mounted

Wall-mounted emergency shower for eye rinsing with a flexible connection hose. (Product code: BRSSS-2)

- The eye shower is very easy to use, as the flexible connection hose allows it to be positioned conveniently for the user.
- The dual-nozzle design enables safe rinsing of both eyes simultaneously.
- Protective covers on the nozzles keep them clean and ready for use in an emergency.
- A thermostat is also available to provide warm rinse water. (Product code: BRTRSS)
