Body shower, wall-mounted above door

Wall-mounted body shower above door with exposed inlet hose. (Product code: BRVSO-600)

- The wall-mounted body shower saves space when installed above a doorway.
- Its simple and streamlined design ensures very easy use.
- The pipe material is suitable for potable water systems, allowing direct connection to the building’s water pipes.
- The exposed flexible 700 mm inlet hose makes installation straightforward.
- A thermostat is available to provide warm rinse water. (Product code: BRTRVS)
- The purchaser is responsible for necessary waterproofing and drainage.
