

3 - drawer

- For Standard solutions we have selected high-quality and most commonly used options in terms of dimensions and materials.
- Custom solutions are always tailored to the customer's needs.
- Low drawers are dimensioned especially for electric tables to ensure that they fit under the desk when it is at its lowest position.
- The drawer unit heights may vary according to the model. See more details in the table below.

Standard

Description	Product code and standard dimensions width-depth-height [mm]	Standard depths d [mm]*
