VISU Chemicals cabinet

For the storage of acids, bases and toxins

The air-conditioned chemicals cabinets manufactured at our Visuvesi factory for the storage of acids, bases and toxins are tailored to the customer's needs.

VISU chemicals cabinets are made of P5-class chipboard with a high-pressure laminate-coated surface that can withstand high loads and humidity, and the base is made of powder coated steel.

Safety markings:

- Acid and base cabinet
- Poison cabinet
- Safety cabinet
